Pursuant to 37 C.F.R. §§ 1.97 and 1.98 and to the duty of disclosure set forth in 37 C.F.R. § 1.56, the Examiner in charge of the above-identified application is requested to consider and make of record the documents listed on the PTO/SB/08b submitted herewith. Copies of the documents and the DVD listed on the PTO/SB/08b are enclosed.

Although the information submitted herewith may be "material" to the Examiner's consideration of the subject application, this submission is not intended to constitute an admission that such information is "prior art" as to the claimed invention.

In accordance with 37 C.F.R. § 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made.

These references, and the videocassette version of the DVD submitted herewith, were previously identified on pages 11 and 12 of a PTO/SB/08a form filed with an Information Disclosure Statement on December 2, 2005. Copies of the references and the video cassette were not provided on December 2, 2005 because it was believed that they had previously been submitted to the PTO in a priority application.

The aforesaid 12 page PTO/SB/08a was attached to an Office Action dated March 29, 2006. The Examiner did not initial pages 11 and 12 of the aforesaid PTO/SB/08a. Instead, the Examiner wrote "no copy" on pages 11 and 12.

Applicants responded to the March 29, 2006 Office Action on August 7, 2006. Part of the March 29, 2006 response, supported by exhibits, explained why Applicants believed the references on the aforesaid pages 11 and 12 had previously been submitted to the PTO in a priority application. The Exhibits included copies of previously submitted Forms PTO-1449 showing that the items listed on pages 11 and 12 had previously been submitted in a priority application. Page 3 of the response stated, in part:

The PTO is able to review all of the references listed on pages 11 and 12 because they have been submitted to the PTO in the '881 application. If, however, the PTO is unable to locate any of these references, Applicants will supply another copy of them.

In an Office Action dated January 23, 2007, the PTO expressed a belief that the exhibits filed with the August 7, 2006 response failed to comply with 37 C.F.R. § 1.98(a)(1). The PTO did not state whether or not it could locate the items listed on the aforesaid pages 11 and 12.

Nevertheless, to expedite prosecution, Applicants are resubmitting herewith the items that had been listed on the aforesaid pages 11 and 12 for the Examiner's consideration.

More than three months have elapsed since the filing of the above-referenced application and a first (non-Final) Official Action has been received. No Final Action or Notice of Allowance has yet been received and it is presumed that none has yet been mailed. Accordingly, the required fee set forth in 37 C.F.R. § 1.17(p) is provided herewith.

Respectfully submitted,
